

May carries with it the Great Strength hexagram. It's a very Yang Energy. Opportunities are in the air. So is action and change. Spend time assessing where you are and set yourself up for success. Be strategic - with great power, comes great responsibility. Be aware of the energy and use it to propel you to another level. Know this is a great month to market yourself and your product.

***Remember to always turn your back to the direction. Use the area where you are at that present time or go to that sector. Either way but always with your**

Anything in **Red** has extra good energy. Throughout the month there are some hours that have multiple "*" to denote extra power. The ones with five and six "*" are real powerhouse hours and not to be missed, if possible. Remember to keep your thoughts strictly on the affirmations and your goals during any of these times. Depending on your chart's affinity with the month, day, and hour, you could get an even greater boost, so keeping your thoughts tight is imperative. Lastly, you can use any part of the two hours or the whole block of time, but if time is short, aim for 1/2 hour into the 2 hours ...ie 9:30, 11:30 or mid way 10, 12 etc
